The diagram features a central light blue starburst shape with a white rectangular center. The starburst has six points, each labeled with a question: 'Why?' (top-left), 'Who?' (top-right), 'When?' (left), 'What?' (right), 'Where?' (bottom-left), and 'How?' (bottom-right). Surrounding this central starburst are six empty rectangular boxes, two on each side (top, middle, and bottom), intended for user input.
